

ONE FREE COMPUTER CONNECTED SMARTPHONE PROGRAM

Affordable Connectivity for Everyone

\$50

One-time payment for a smartphone with a full year of service

Get a Moto G Play 2023 smartphone with one year of Verizon network service

Stay connected with family, friends, and essential services

What You Get

- **Moto G Play 2023 Smartphone** - Modern Android device with all features you need

How It Works

1. **Sign Up** - Contact us to reserve your smartphone

- **One Year of Tracfone Service** - On the reliable Verizon network
- **Phone Number Included** - Your own personal phone number
- **Secure Setup** - Pre-configured for security and data efficiency
- **No Contracts** - One-time \$50 payment covers everything for a full year

2. **One-Time Payment** - Pay just \$50 for the phone and one year of service
3. **Get Connected** - Receive your pre-configured smartphone ready to use
4. **Stay Connected** - Enjoy reliable connectivity for a full year

After Your First Year

When your initial year of service ends, you have options:

- **Refill Your Plan** - Add minutes, texts, and data at any retailer selling Tracfone (Walmart, CVS, etc.)
- **Upgrade Your Plan** - Options available for heavier users who need more talk, text, or data
- **Keep Your Phone Number** - Maintain your digital identity with continuous service

Yearly Tracfone Plan Includes

Talk	Text	Data
1,500 minutes	1,500 messages	1.5GB

That's approximately:

- **125 minutes** of talk time per month
- **125 text messages** per month
- **125MB** of data per month

Phone configured to use WiFi when available to maximize your data

Why This Program Matters

- **Digital Access:** Stay connected to essential services, including healthcare, employment, and education
- **Affordable Communication:** No surprise bills or contracts - just one low payment
- **Digital Literacy:** Pre-configured to help you learn to use smartphone features efficiently
- **Peace of Mind:** Reliable service on the nationwide Verizon network
- **Community Support:** Part of our mission to bridge the digital divide

Don't miss this opportunity to stay connected affordably!
